WHO WE ARE

About Visaku

Visaku Indonesia Consulting (PT. Amerta Kerta Agung) is built on more than **15 years of experience** in the KITAS and visa services industry through kitas.co.id and Evisa.co.id — sister companies now under the umbrella of PT. Amerta Kerta Agung. From that foundation, a new brand was established: **Visaku.id** and **Visaku.co.id**.

On 15 June 2026, **PT Amerta Kerta Agung Artha Jaya** was established to cover a broader range of KBLI codes and to serve large corporations specifically.

Our primary focus is to provide the best solutions and services to businesses facing difficulties or challenges with **Foreign Worker (TKA) permits**. In a short period of time, Visaku has earned the trust of companies — directly and indirectly — across a wide range of industries and locations to handle work permit applications for foreign nationals.
